Dear Parent:

Federal law requires that each school district receiving Title I funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?

You also have the right to request the state qualifications for your child's teacher or instructional aide.

If you have any questions regarding this notification or would like further information, please contact Principal Joni Stevenson, Federal Programs Director/Superintendent Jeff Blaser, or Title One Coordinator Lindsay Anthony at (208)630-6057.
